

READY-STACK HOSE REELS.

Move up to 400' of hose.

Easily manage high-pressure hoses with a new series of accessories from Landa Kärcher Group. Move up to 400' of hose in place with stackable hose reels and cart. The integrated frame protects the hose and is ready to stack out of the box, saving time and money. Maneuver over obstacles and make cleaning easier with the adjustable hose riser.

Patent D739,715S and other Patents Pending.

NEW

Features

- Integrated frame adds protection and stacking ability
- Ideal for stacking reels on a trailer
- Heavy-duty powder-coated steel or stainless steel
- Reel and swivel rated up to 6000 PSI and 350°F
- Modular design is able to configure for various needs
- Reversible hand-crank and swivel
