

FORMULA 9240

**Clearcoat Sealant** 

## **DESCRIPTION**

Shield<sup>™</sup> is a carnauba and silicone based wax formulated for the car wash industry. The unique combination of silicone, surfactants and emulsifiers insure a rapid uniform deposition of extra clearcoat protectors and exceptional beading and sheeting of water. Shield<sup>™</sup> provides instant wax-like protection with long lasting durability in all weather conditions. Added silicone also adds to the polished shine to enhance the original luster of the painted surface. 100% Biodegradable.

# RESEARCH

Through R&D and field testing, KO Chemists combine creativity with technology to bring you products with the performance you require. Using our sophisticated KO lab we continually test new products, existing products, and our manufacturing processes for effectiveness and affordability. When a new product meets our requirements, it goes to a select group of end-users for real-world evaluation. Only after testing, evaluating, and re-testing is a KO product ready for distribution.
