SLT

WHY CHOOSE THE SLT?

The SLT is a beast and is the go-to pressure washer for many workers in the mining, drilling and fleet industries. It has no problem taking on stubborn grime and grease. With its most powerful model reaching cleaning conditions of up to 8.0 GPM and 3200 PSI, the SLT has the ability to reach hot water temperatures of up to 200°F. Its oversize vibration isolators help to cushion the engine and pump platform. With extra-large heating coils and fuel tanks, there's no wonder why the SLT is the preferred cleaning machine by so many industrial professionals.

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.

DETERGENT FOR EVERY JOB
